Museum Field Trip

What kind of art do you like? Label the pictures as photograph, painting, or sculpture. Do you like photographs, paintings, sculptures, or something else?

We are going to the University of Hawaii Art Gallery. Look at your brochure.

- 1) Where is the art gallery?
- 2) How much is admission?
- 3) When is it open?
- 4) When is it closed?

We are going to see student art. Here are some examples. Write down the words for what you see.
