

Embed video/images/etc. in Blogger

- 1. Copy the embed code for the video, image, or whatever you want to embed.

Embed this slidebook

Add this slidebook to your blog, website or social network.

```
<iframe src="http://www.biteslide.com/embed/a/n/a/p/hora/Pg9GCOF7Y1t" width="640" height="418" frameborder="0" scrolling="no"></iframe>
```

Choose the embed size below, then copy and paste the above embed code to your website.

420 x 337px	560 x 388px	640 x 418px	853 x 496px	Custom
<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
				Width <input type="text" value="640"/> px
				Height <input type="text" value="418"/> px

- 2. In a Blogger post, click "HTML." This will change the view to the raw HTML code so that you can add the embed code.

3. You will now see the HTML code. Paste the embed code that you copied.

The screenshot shows the Blogger interface with the 'HTML' tab selected. A red circle with the number '1' highlights the 'HTML' tab. The text area contains the following code: `This is my post. I'll embed something after this text.`

The screenshot shows the Blogger interface with the 'HTML' tab selected. A red circle with the number '2' highlights the 'HTML' tab. The text area contains the following code: `This is my post. I'll embed something after this text.
<iframe src="http://www.biteslide.com/embed/a/n/a/p/hora/Pg9GCOF7Y1t" width="640" height="418" frameborder="0" scrolling="no"></iframe>`

4. Click "Compose" to switch back to the normal view.

The screenshot shows the Blogger interface with the 'Compose' tab selected. A red box highlights the 'Compose' tab. The text area contains the following code: `This is my post. I'll embed something after this text.
<iframe src="http://www.biteslide.com/embed/a/n/a/p/hora/Pg9GCOF7Y1t" width="640" height="418" frameborder="0" scrolling="no"></iframe>`

5. Your video or other element will appear. Click “Publish” when you are finished.

The screenshot shows a blog editor interface for 'Ana Phora's Blog'. At the top, there is a 'Post' title field and a 'Publish' button highlighted with a red box. Below the title field are 'Compose' and 'HTML' tabs. A rich text editor toolbar is visible, containing icons for undo, redo, font color, background color, bold, italic, underline, text color, link, unlink, list, and text alignment. The main content area contains the text 'This is my post. I'll embed something after this text.' followed by an embedded post. The embedded post has a title 'Crane' by 'Ana Phora' on '10/07/2013' and features a photograph of a white paper crane with colorful floral patterns. An orange 'View' button is overlaid on the image. Below the image, it says 'Created on Biteslide'. To the right of the editor is a 'Post settings' sidebar with options for Labels, Schedule, Permalink, Location, and Options.
