

Highlighter

1. Go to <http://highlighter.com/> and click "Sign Up."

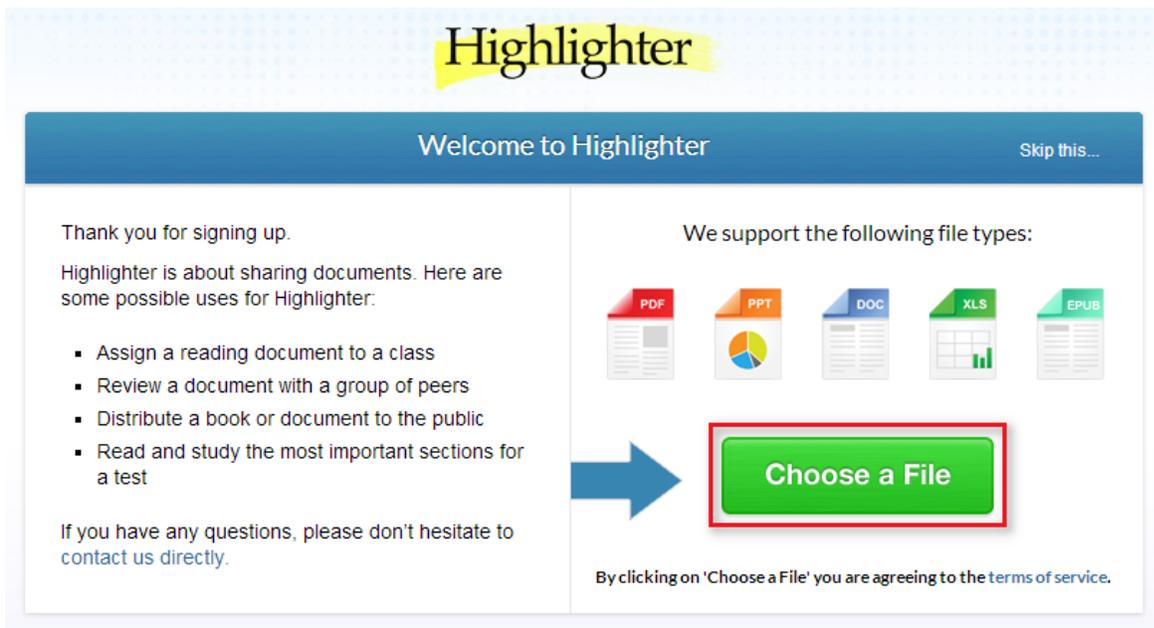

2. Fill out the form, then click "Create Account."

A screenshot of the 'Sign Up for Highlighter' form. The form is titled 'Sign Up for Highlighter' and includes a close button (X). It contains the following fields:

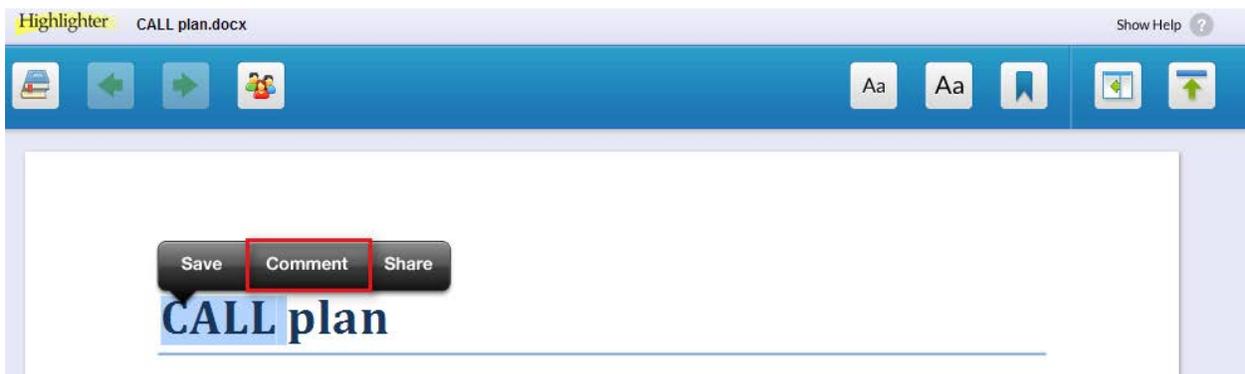

- Full Name:** Ana Phora
- Username:** anaphoramsu
- Password:**
- Email Address:** anaphoramsu@gmail.com

Below the fields, there is a checkbox with a checkmark and the text: "By clicking on 'Create Account', you are consenting that you have read and agree to the [terms of service](#)." At the bottom, there is a green 'Create Account' button, which is highlighted with a red box.

3. Click “Choose a File,” then choose a file from your computer to highlight.

4. Highlight a word, then click “Comment.”

5. Enter your annotation or note, then click “Respond.”

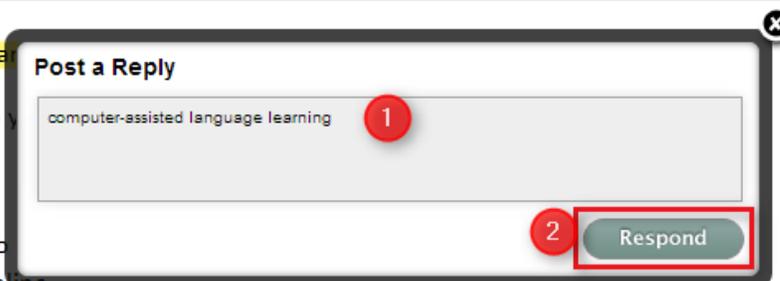

CALL plan

https://yalitprogra

Which projects do

THURSDAY, 7/11

- Blog, video
- Online

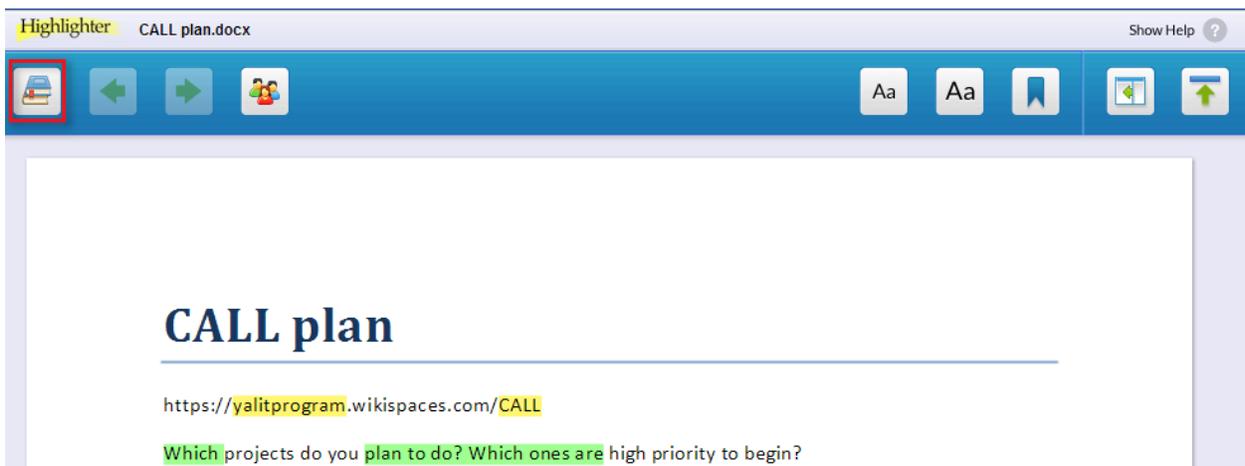

6. The word will show as highlighted. Click it to see the annotation.

CALL plan

<https://yalitprogram.wikispaces.com/CALL>

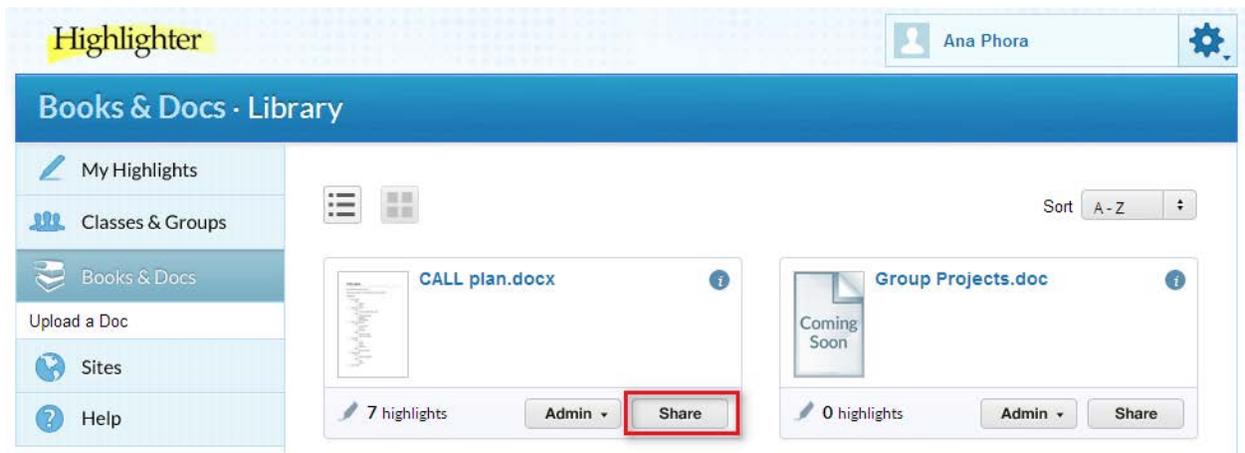

Which projects do you plan to do? Which ones are high priority to begin?

7. When you are finished making annotations, click the books at the upper left.

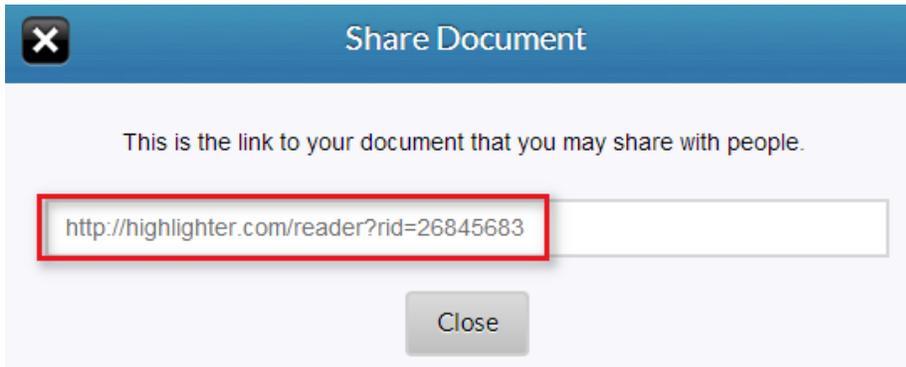

The screenshot shows the Highlighter application interface. At the top, there is a toolbar with several icons, including a book icon which is highlighted with a red box. The document title is 'CALL plan.docx'. The main content area displays the title 'CALL plan' and the URL 'https://yalitprogram.wikispaces.com/CALL'. Below the URL, the text 'Which projects do you plan to do? Which ones are high priority to begin?' is visible, with 'plan to do?' and 'Which ones are' highlighted in green.

8. To share the document with students, click the “Share” button by the document.

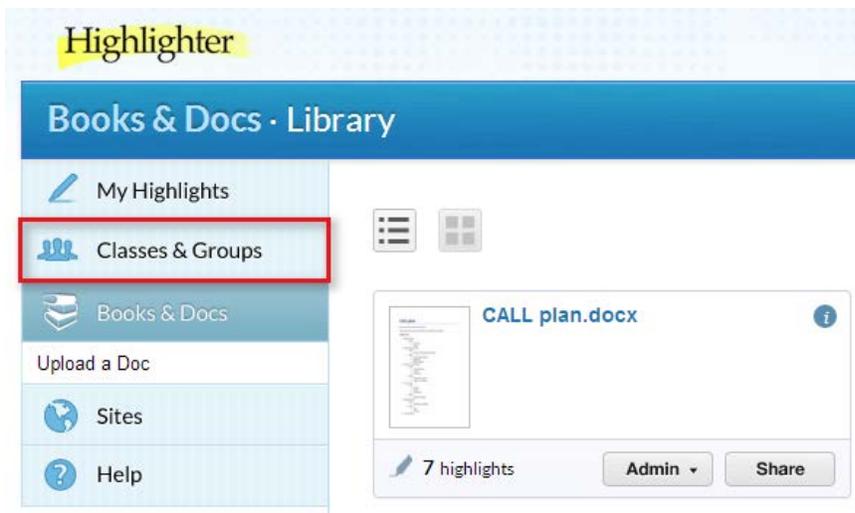

The screenshot shows the 'Books & Docs - Library' section of the Highlighter application. The user's name 'Ana Phora' is visible in the top right corner. The library contains two documents: 'CALL plan.docx' and 'Group Projects.docx'. The 'CALL plan.docx' document has 7 highlights and a red box around its 'Share' button. The 'Group Projects.docx' document has 0 highlights and a 'Coming Soon' icon.

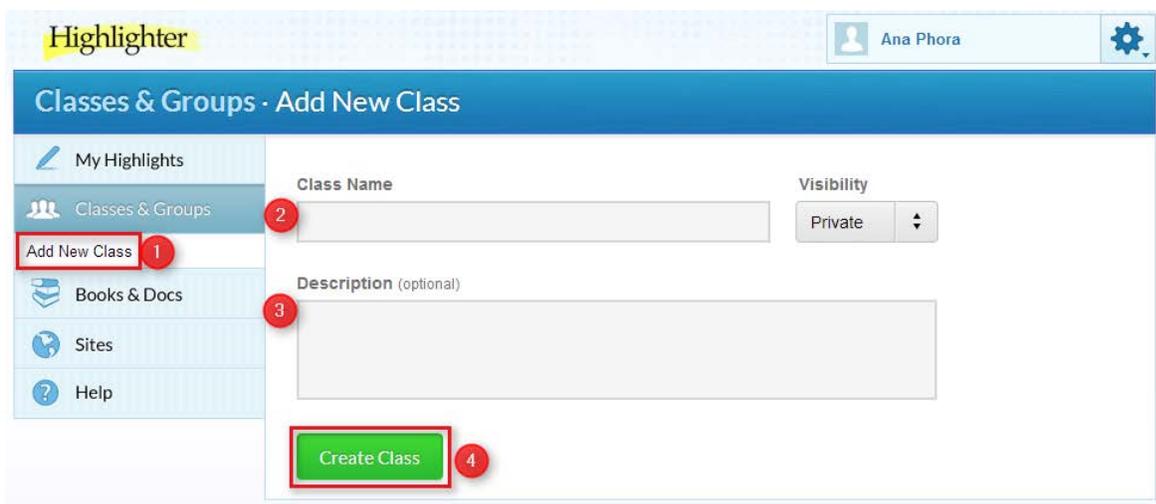

9. You will get the link to share.

10. To create a class for sharing documents, click “Classes & Groups.”

11. Click “Add New Class,” then give your class a name and description. Then click “Create Class.”

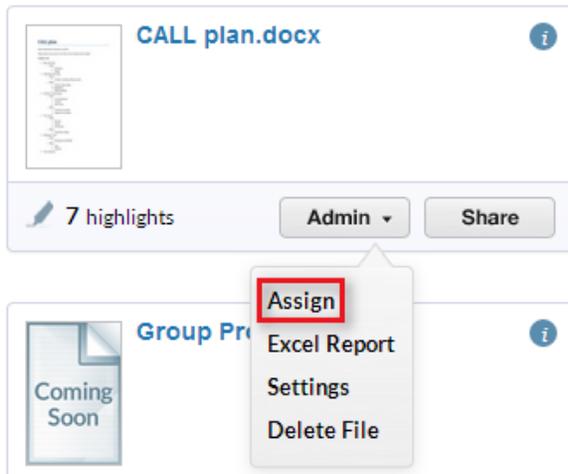

12. To add students, click “Add Students” and follow the instructions. The students will get emails asking them to join Highlighter to get access to the class.

The screenshot shows the 'Classes & Groups' section of the Highlighter interface. The user 'Ana Phora' is logged in. The main heading is 'Classes You Manage'. A class named 'ESL' (English as a second language) is displayed. The 'Add Students' button is highlighted with a red box. Below the class name, there are statistics: 0 books/docs, 0 sites, 0 comments, 0% active students past 1 week, 0 groups, and 0/0 students/invited. A section below the statistics provides instructions on how to assign documents to the class.

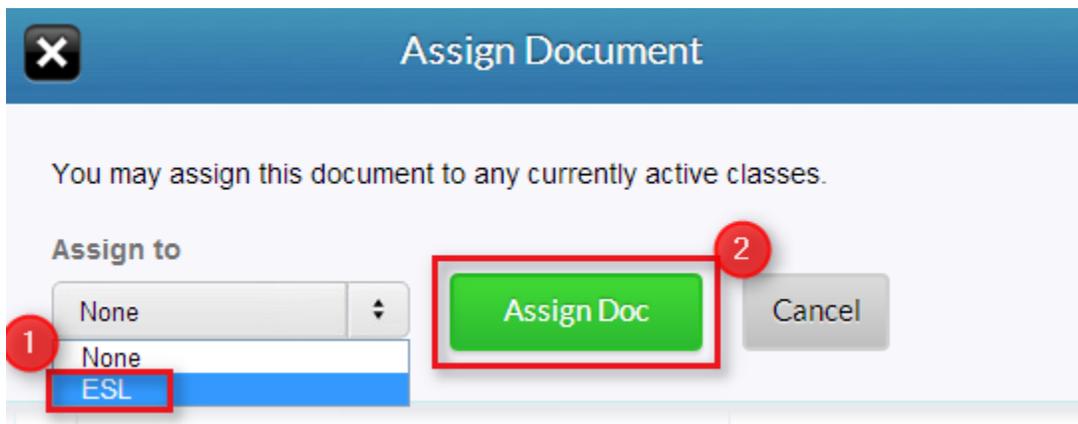

13. To assign documents to a class, click “Books & Docs,” then click “Admin” on the document you want to assign.

The screenshot shows the 'Books & Docs - Library' section of the Highlighter interface. The user 'Ana Phora' is logged in. The 'Books & Docs' menu item is highlighted with a red box and a red circle with the number '1'. Below the menu, there are two document cards. The first card is for 'CALL plan.docx' and has 7 highlights. The 'Admin' button for this document is highlighted with a red box and a red circle with the number '2'. The second card is for 'Group Projects.docx' and has 0 highlights.

14. Click “Assign.”

15. Choose the class, then click “Assign Doc.”

16. When students log into Highlighter, they will see the documents you have assigned to the class. They will be able to see your annotations and add their own.
